## 250W Solar Street Light

High Quality Ip65 Waterproof Outdoor Integrated 200w All In One Solar Led Street Light  
Features: Polycrystalline Solar Panel: High-efficiency solar panel, higher charging ...

Solar street light 250W is a powerful lighting solution for public spaces, roads, and highways. This light comes in several different types, including the following:

The ZAIN series is a high-quality, engineering-grade solar street light designed for a wide range of applications, from 5-meter to 12-meter pole heights. Crafted with a robust die-cast aluminum ...

The 250W Solar Street Light achieves a CRI $\geq$ 85 through "quantum dot phosphor + multi-chip integration" technology, while reaching a luminous efficiency of 160lm/W (total ...

Specifications: Wattage: 250W LED Lamp: Epistar Chip 6000k Lumens/W: 175 Solar Panel: 10V 50W, Monocrystalline Battery Type: Lithium 6.4V 30AH Lighting Modes: Constant Lighting ...

Outdoor Solar Street Light 250W 5V DC All in One For Street LS-1600931823017 Place of OriginGuangdong, China ...

Anern 250 W solar street light is a robust all-in-one lighting system that combines high-performance Bridgelux LEDs with a monocrystalline solar ...

Professional 1900lm solar street light with 25W solar panel and 20Ah LiFePO4 battery. Features Blue Carbon technology for efficient road and pathway illumination. Ideal for residential streets, ...

Anern 250 W solar street light is a robust all-in-one lighting system that combines high-performance Bridgelux LEDs with a monocrystalline solar panel. This solar light 250w negates ...

HYBRID SOLAR & AC LED STREET LIGHT This solar street light is characterized by a semi-split design. Solar controller and batteries are housed in LED fixtures that are separated from the ...
