## Austrian solar glass house manufacturer

Who is Winkler solar?

Winkler Solar produces solar collectors and photovoltaic modules in Austria. It is our concern to ensure a sustainable energy supply in Europe with local value creation. In this way, we can ensure the best possible quality and meet architectural demands with individually manufactured module sizes according to customer requirements.

What makes Winkler solar roof unique?

The innovative solar roof from Winkler combines the best of solar utilisation: In perfectly coordinated technology and appearance, our solar heat collectors are combined with photovoltaics &quot;Made in Austria&quot;. And, on request, also with roof windows.

Where is Winkler solar located?

Winkler Solar is located in the beautiful area of the borders of Austria, Switzerland, Germany and Liechtenstein. Here we create jobs and deliver to customers all over Europe. Our mounting crews will be where you need them. That might be in a cottage at an altitude of 2000 meters or on the coast.
