
Cambodia container energy storage manufacturer customization

Why should you choose a container shipping company in Cambodia?

With a strong presence in Cambodia and an unrivalled global network, we are well placed to help Cambodian businesses connect to the world. We have been supporting Cambodian trade since 1993, and are one of the largest container shipping lines operating in Cambodia today.

Is Cambodia's first grid-forming Bess certified by TÜV SÜD?

Huawei Digital Power has successfully commissioned what it claims is Cambodia's first grid-forming BESS certified by TÜV SÜD.

Will Cambodia achieve 70% renewables by 2030?

Cambodia is targeting 70% renewables by 2030. Image: Huawei Digital Power. Huawei Digital Power has successfully commissioned what it claims is Cambodia's first grid-forming battery energy storage system (BESS) certified by TÜV SÜD.

Does Cambodia have a decarbonisation strategy?

Indeed, Cambodia received a 49% tariff on products, the highest of all countries in the region. Despite this, the country is continuing to press on with its decarbonisation journey and attracting international manufacturers to invest in its transition while also catering for the global market.
