Why should you buy connected switchgear?

WHY BUY CONNECTED SWITCHGEAR? Connected Switchgear is a 100% Australian owned and operated electrical manufacturer and supplier. This means that we have an intimate knowledge of the electrical industry in Australia. We also have a clear understanding of what the discerning electrical contractor requires from trusted quality electrical products.

Who is connected switchgear?

Connected Switchgear is a proud Australian owned and operated electrical supplier with an established reputation throughout Australia and the Asia Pacific region for manufacturing the finest domestic, commercial and industrial light switches, power points, circuit breakers, RCDs, 3 phase and industrial switchgear products.

Where are our switchgears made?

Our growing capability encompasses an extensive range of switchgear for substations, overhead distribution and underground cables. Our core range is locally manufactured at one of our three Australian facilities. This range is augmented by our single-source partner Siyuan Electric in China to provide additional voltages and technical solutions.
