
Cost estimate for solar container leasing options

Does SeaCo lease containers?

Seaco began leasing containers in the 1960's and is now one of the world's leading container lessors. Our flexible leasing options include Operating Lease and Finance lease suitable for short- and long-term durations including sale and leaseback.

How do I choose a container lease?

Volume Discounts: If you're planning on leasing multiple containers regularly, leverage this during negotiations for volume-based discounts. Long-term Leases: Often times longer leases come with lower per-unit rates. If stability suits your operation model, consider going for long term leases.

How do shipping containers lease rates work?

The leasing rates for shipping containers aren't set in stone; instead, they fluctuate based on several variables including size of the container, its age and condition, lease duration, demand-supply dynamics among others.

How much does it cost to lease a refrigerated container?

The monthly lease cost for a 20-foot refrigerated container may range from \$200 to \$400, while a 40-foot unit could cost anywhere from \$300 to \$600 per month. Open-top and flat rack containers are designed to accommodate oversized or irregularly shaped cargo that cannot fit in standard containers.
