# Iraq New Energy solar Panel Factory

What does a new solar plant look like in Iraq?

"This is the first project of its type in Iraq that has this capacity," said Safaa Hussein, executive director of the new solar plant in Karbala, standing in front of row after row of black panels. From above, the project looks like a black-clad city surrounded by sand.

Will Iraq open its first solar plant?

KARBALA, Iraq (AP) -- Iraq is set to open the country's first industrial-scale solar plant Sunday in a vast expanse of desert in Karbala province, southwest of Baghdad. It's part of a new push by the government to expand renewable energy production in a country that is frequently beset by electricity crises despite being rich in oil and gas.

Where is Iraq's first industrial-scale solar power plant?
