# San Jose Solar Air Conditioning

Do solar panels work in San Jose?

Our San Jose Solar Panel Installation Experts Serve Silicon Valley and The South Bay Too! As energy demands increase and costs keep going up, many home and business owners in the San Jose area are turning to alternative heating and cooling methods. Solar-powered energy systems can help you save hundreds of dollars on your heating and cooling costs.

Who is the best solar company in San Jose?

Here are the top companies we recommend for solar in San Jose: Hooked On Solar is a family-owned business founded by a father and son with over 40 years of experience, a shared passion for sustainable energy and a commitment to quality service. With deep roots in California, we have proudly completed over 10,000 solar i...

How much does solar cost in San Jose?

The cost per watt makes it easier to compare prices between quotes and gives you a better idea of how fairly the system is priced. The average price of solar is about \$2.14 to \$3.22 per watt in San Jose, so anything in that range is a fair price.
