
Victoria Smart Solar System Manufacturers

Who is Vic solar systems?

VIC Solar Systems is one of Australia's fastest-growing solar power companies. Based in Melbourne, Victoria since 2023, we are committed to expanding our reach nationwide. We offer expert solar solutions for both residential and commercial clients, ensuring sustainable energy solutions for all.

Why are there so many solar installers in Victoria?

With the great benefit of solar panel systems with the state government rebates, more and more of the homes in Victoria are opting for solar power. This has resulted in a steep increase in the demand of solar installers in Victoria. The concentration of solar systems is mainly seen along the coastal line of Victoria starting around Melbourne.
